Trailblazer, Inc carries top trailer brands that have proven success on the road, brands like Doonan, Wade and Viking. Now we are proud to add Chaparral aluminum flatbeds and aluminum drop decks to our product line.

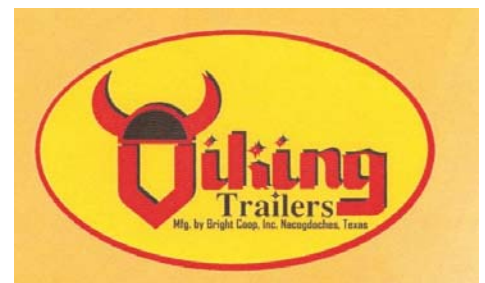

Your Trailer~Your Way

Doonan Specialized Trailer has been serving the trucking community for over 25 years. Their mission is to provide highly customized products to satisfy the consumer's demand. Doonan trailers feature one piece frame construction using high strength steel. Trailers feature aerodynamic dimple frame design. Tare weights as low as 9,900 lbs for 48' foot and 10,560 lbs for 53 foot trailers. Doonan specializes in platform trailers, and its product lines include custom flatbed and drop decks, oilfield trailers, extendables, and double drops.

WSI has an extensive product line. **WSI** products include Drop Decks, Low Boys, Poultry Flat Beds, Poultry Drop Decks Highway Flat Beds, and Oil Field Floats

VIKING Trailers is a family owned business manufacturing high quality trailers of all sizes and capacities. Viking builds a wide range of trailers. We offer Flatbeds, Drop Deck Flats, Oilfield Flats and Equipment trailer and specialized trailers.
